Rules

- 1) Scoring of matches. Best of three sets. If the score is 1-1 after two sets, please play the third set as championship tie break - first to 10 points; if 9-9 then you must continue until one side has a lead of 2.
- 2) Deciding which pair wins the box. The pair winning the most matches will progress to the semi final. In order to decide which pair goes through in the event of a tie, please fill out the full score of each match (eg 0-6, 7-5, 1-0 for a championship tie break win) so that the team winning the most sets will progress or if sets still do not separate the pairs then team winning the most games will progress. If you have not played your box matches by the date shown only the matches completed will count towards the totals to decide which pair advances to the semi finals.
- 3) Problems in agreeing a date. If you cannot agree on a date to play the match please speak to Savio Gaspar - 01675 442001
- 4) Booking courts. Matches must not be booked during Tuesday/Friday social tennis. Court 4 (but not 1,2 or 3) may be booked during any Sunday morning social tennis.
