F							

Next box league: If you wish to be included in the next box league, please write your name below.

Telephone numbers: You can find all adult telephone numbers in the members' area of the website.

- Go to: <http://www.hamptontennis.org.uk/login.asp> (smart phone users scan the code below)
- Sign in using the same ID and password which you use for booking courts
- Select Directory
- Click the large members directory button
- You should now see a full list of adult members

Because we do not display telephone numbers for juniors, please would juniors take responsibility for organising matches against adults?

Rules:

- Play 12 games and remember the score as, for example 10-2. Each pair adds 2 points to their score for playing the game. In this example you would need to record 12-4. Put your pair's score next to your pair's name in your opponent's column and vice versa. At the end of the period we will add up the total scores for each individual to determine a ranking for each league. The two highest ranked pairs will move up a league, and the two lowest ranked pairs down a league.
- Matches must not be booked during Tuesday, Friday and Saturday social tennis sessions. Court 4 may be booked during the Sunday social tennis session.
- In the event that two pairs have the same total and are in the promotion or relegation zone, the pair who has played the most games will be given higher status, if the same number of games have been played, the result between the two tied pairs will determine who goes up or down. In the event of a draw in that game, or a three-way tie, we will look at the number of wins and if necessary, toss a coin to decide.
- If a pair finds that they are unable to compete in the league due to injury or other reasons, they should let the tournament organiser know immediately on tournaments@hamptontennis.org.uk. If they have played 4 games or more, their scores will stand in those games, and where they have not yet played games, the score will be deemed to be 10-0 to the other pair. If the pair has played 3 games or less then all their scores will be scratched.
- If two pairs have arranged a match and one has to pull out for any reason, every effort should be made by both parties to re-arrange the match. If this is not possible, then the pair who has had to pull out concedes the match 10-0.
- Pairs should make every effort to arrange their matches in a timely fashion to give both parties a chance of finding a mutually convenient time. If you can only play at very restricted times due to other commitments then the onus is on you to contact the other players early on to give them time to accommodate you. In the event that two pairs are unable to agree a mutually convenient date, they should refer the matter to the tournament organiser on tournaments@hamptontennis.org.uk.
- In order to be eligible for promotion to the next league a pair must have played at least 3 matches. If you are having trouble arranging matches then please let the tournament organiser know on tournaments@hamptontennis.org.uk
